

Ideas for Homemade Advent Wreaths

MOST BASIC: USE WHAT YOU ALREADY HAVE

Use any candles holders or candlesticks you already have, greens from your yard or a nature walk and any candles you already have

Anything can be made into a candle holder if you drip some wax into the bottom

...and quickly place the candle in and hold it until the wax dries—this goes fast....

Think outside the circle—this is a rectangular serving plate and some square candles

SOMETHING MORE TRADITIONAL?

Circular straw placemat

Metal candle holder from Amazon (\$14)

Add those greens

TEACUP CANDLE HOLDERS

Great-grandma's glass teacups

Add driveway gravel...

...or woodchips

Arrange on her matching glass cake plate and add greens

POLYMER CLAY MAKE-'EM-YOURSELF CANDLE-HOLDERS (Sculpey or Femo)

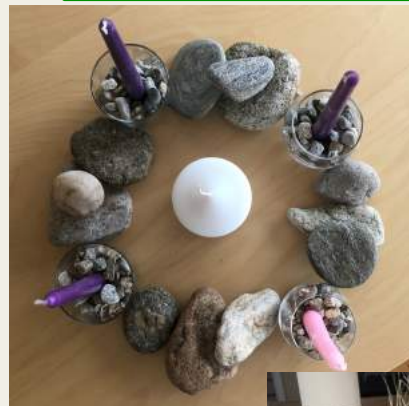

Basic coil design (toothpicks in sides to hold loops together)

Basic cup on a disk design (left) and a ball with the candle jammed in

MY FAVE- A ROCK WREATH!

Go find and wash some rocks

Tiny rocks from the beach or driveway gravel in small drinking glasses
